

A wide-angle photograph of a large industrial factory floor. In the foreground, a worker in a blue shirt is bent over, working on a machine. A red three-wheeled cart with a white tray is in the center. In the background, several other workers are operating large industrial machines. The ceiling is high with many circular lights and a yellow overhead crane system. The floor is a reddish-brown color.

Le illustrazioni e le caratteristiche tecniche del presente catalogo sono informative e non impegnative.
The illustrations and technical specifications in this catalogue are provided as general information and are not binding.

A photograph showing two individuals, likely students or staff, seated at a long wooden desk in a classroom. They are both looking at a computer monitor which displays a green screen with some text. The person on the left is seen from the back, wearing a white t-shirt. The person on the right is a man with glasses, wearing a light blue button-down shirt. On the desk, there are various items including a keyboard, a mouse, and some papers. In the background, there are bookshelves filled with books and a clock on the wall.
